PAST MONTH

This past month our Sunday School numbers have fluctuated with our weather but we've had a great group every Sunday.

Our high school youth known as Go Deep, met the beginning of March. We had six youth attend and had great discussion on their vision for the program.

Cross Training (our middle school youth) met in the middle of March for pizza and games. We had three middle school youth attend.

During Lent our Confirmation students began meeting with their faith partner or mentor. The 6th-8th grade students meet with their faith partner while 9th grade students meet with their confirmation mentor. This is a great way for our students to build relationships with our adult members. Thank you, faith partners and mentors, for investing in our youth.

LUTHER CREST BIBLE CAMP SUMMER 2019 PROGRAMS

Check out the Information Desk!!!

Seminaries tell us "... over 75% of our future pastors, point to Summer Bible Camp as the biggest reason they chose to go into the ministry!" It just makes sense. A 24 hour total immersion in a Christian environment has a BIG EFFECT on our CHILDREN. So take a look at this Summer's programs, please feel free to take a Luther Crest Bible Camp brochure home to look it over.

Attention Parents & Guardians!!
