

Youth News

PAST MONTH

Our middle school confirmation students lessons have focused on the Ten Commandments and will be jumping into the Creed in the coming weeks. Each Wednesday the students will continue to work through the lessons by using their bibles and small catechism. Our 9th grade confirmation students have been working and learning on what it means to be a disciple. In February our lessons focused on the importance of worship and what it means to worship.

During Lent confirmation will be from 5:30 -7 pm. Students will be in class from 5:30-6, meet with their faith partners from 6-6:30, and attend worship from 6:30-7 pm.
